INTRODUCTION

IMPARC (Ignited Minds Professional & Academic Research Consortium), promoted by **Ignited Minds Edutech Pvt. Ltd.**, is a global initiative dedicated to advancing multidisciplinary research, academic collaboration, and professional mentorship. It brings together scholars, researchers, educators, and institutions to foster innovation, knowledge sharing, and impactful research aligned with NEP 2020 and global standards.

Through initiatives like the **Knowledge Series**, **mentorship programs**, and **institutional partnerships**, IMPARC serves as a bridge between academia, industry, and society.

IMPARC KNOWLEDGE PARTNERSHIP PROGRAM FOR INSTITUTIONAL MEMBERS

Institutional Membership with **IMPARC** seamlessly integrates your college or university into a vibrant academic ecosystem, offering structured support for research, learning, and meaningful engagement at national and international levels.

As an **IMPARC Knowledge Partner**, your institution becomes an active co-creator of academic impact—co-hosting events, collaborating on publications, and contributing to thought leadership across disciplines.

This combined program empowers institutions with visibility, academic credibility, and a wealth of opportunities for both faculty and students.

Key Benefits:

- **Free Mentor Membership** for all the faculty members of Knowledge Partner Institutions.
- **Official recognition** as an IMPARC Institutional Member & Knowledge Partner.
- **Co-hosting rights** for one or more academic events (*Webinar/Conference/Workshops/FDP/Panel Discussion*), annually conducted in **accordance with UGC and higher education compliances and guidelines**.
- **Dedicated special issue** in Ignited Minds Journals for your institution's scholars.
- **Co-publishing opportunities** for conference proceedings or book chapters with *ISBN* through *HorizonBooks*.
- **Institutional branding** on event banners, e-certificates, and all promotional materials.
- **Faculty involvement** as Speaker, Trainer, Editor, Reviewer, Panelist, Moderator, Convener, Evaluator & Collaborator.
- **National & International MoUs** and research collaborations facilitated **as per UGC & NAAC compliances and guidelines**, with access to Subject Matter Experts (*SMEs*) as per *NEP 2020*.
- **Joint planning** of academic event themes, schedules, and participation.
- **Promotion** of IMPARC Research Associates among your researchers with exclusive support.
- **Showcasing of institutional logo** and research strengths on IMPARC's website and partner network.
- **Featured recognition** on IMPARC newsletters and digital platforms for faculty and student achievements.

▶ IMPARC KNOWLEDGE SERIES

The **IMPARC Knowledge Series** is a monthly calendar of academic events focused on research excellence, skills development, and publishing.

▶ *IMPARC Knowledge Series*

- Thematic Webinars, Seminars & National Conferences.
- UGC/AICTE-Compliant Faculty Development Programs (FDPs).
- Academic Workshops & Panel Discussions.

► *Benefits for Knowledge Partners:*

- **Free participation** for all IMPARC Research Associates from your institution.
- **Event certificates** for participants, presenters, and contributors.
- **Opportunities** for scholars to submit abstracts, articles, or chapters for publication.
- **Faculty engagement** as Speaker, Trainer, Editor, Reviewer, Panelist, Moderator, Convener, Evaluator & Collaborator.
- **Institutional visibility** in national and international academic networks.

▶ IMPARC RESEARCH ASSOCIATES

Research Associate Program is designed for individual scholars, faculty, and research students who seek dedicated support, recognition, and growth opportunities in academic publishing.

▶ *Key Benefits & Opportunities:*

- **Free access** to the IMPARC Knowledge Series academic events (webinar, conference, workshop & more)
- **Exclusive discounts** on future publications, event participation, conference registrations, and publishing services.
- **First paper publication** is absolutely free.
- **Earn certificates** and actively participate as a presenter, moderator, or reviewer.
- **Featured** exposure through Author Spotlight and promotional activities.
- **Comprehensive research support** - free expert consultation, writing guidance, data analysis, proofreading, and editing
- **Expand your network** and knowledge through networking and collaborations.
- **Priority indexing** and fast DOI allocation for your work.
- **20% referral reward** for successful referrals.

IMPARC MENTOR MEMBERSHIP

The **IMPARC Mentorship Program** is a curated platform for experienced academics and professionals who wish to guide emerging researchers, contribute to academic excellence, and expand their global academic footprint.

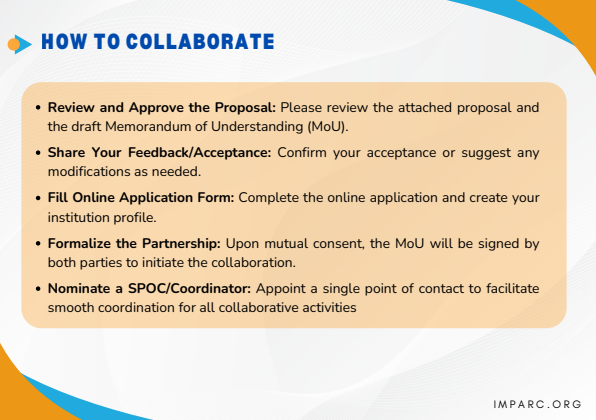

This program is executed in collaboration with **MentorsGate**—a trusted expert mentorship platform—offering dual visibility, structured engagement, and enhanced professional opportunities.

HOW IT WORKS:

- **Structured Mentorship Ecosystem** - Support scholars in research, publishing, writing, and academic growth through an organized platform backed by institutional collaborations.
- **Free Mentorship Registration** - Mentor Membership is absolutely free for all the faculty members of Knowledge Partner Institutions.
- **Mentors Categories:**
 1. **SME (Subject Matter Expert) Mentor** – Listed on the IMPARC website, engaged in Knowledge Series events, require subject expertise, and receive fixed honorarium per event based on sponsor-agreed terms.
 2. **Professional SME (Subject Matter Expert) Mentor** – Profile listed on both MentorsGate & IMPARC, with the flexibility to offer paid mentorship, set your own rates, accept or decline projects, and receive secure payments managed under MentorsGate's policies.
- **Complimentary Research Associate Program's Benefits** – All mentors receive free access to Research Associates program benefits, including publication support and academic visibility.
- **Be Featured as a Mentor** - Get a prominently displayed profile as an Mentor, enhancing your academic visibility and credibility.
- **Academic Leadership Roles** - Participate in the IMPARC Knowledge Series and global forums as a **Speaker, Trainer, Editor, Reviewer, Panelist, Moderator, Convener, Evaluator & Collaborator** — to expand your impact and network.

HOW TO COLLABORATE

- **Review and Approve the Proposal:** Please review the attached proposal and the draft Memorandum of Understanding (MoU).
- **Share Your Feedback/Acceptance:** Confirm your acceptance or suggest any modifications as needed.
- **Fill Online Application Form:** Complete the online application and create your institution profile.
- **Formalize the Partnership:** Upon mutual consent, the MoU will be signed by both parties to initiate the collaboration.
- **Nominate a SPOC/Coordinator:** Appoint a single point of contact to facilitate smooth coordination for all collaborative activities

▶ ADDITIONAL RECOGNITION

- Quarterly “Featured Partner” spot in *Ignited Minds Today* magazine.
- Opportunity to present at the *IMPARC Global Research Summit*.
- **Institutional awards**, event speaker recognitions, and publishing achievements highlighted.

We look forward to welcoming your esteemed institution into the IMPARC family.
Let's co-create meaningful academic outcomes together.
