About the Conference

The **Two-Day International Online Conference** on “**Exploring Boundaries: Advances in Science, Technology, and Humanities**” (EBASTH) aims to bring together academicians, researchers, scholars, professionals, and policy thinkers from across the globe on a unified virtual platform.

The conference promotes interdisciplinary research, responsible innovation, and meaningful academic dialogue, addressing contemporary global challenges through the integration of science, technology, humanities, management, and policy perspectives

About IMPARC

IMPARC (Ignited Minds Professional & Academic Research Consortium) is a global academic and professional network initiative of **Ignited Minds Edutech Pvt. Ltd.**, dedicated to fostering research excellence, mentorship, institutional collaboration, and knowledge exchange. It brings together academicians, researchers, industry experts, and institutions to promote interdisciplinary research, policy dialogue, academic advancement programs, conferences, and skill-building initiatives. Through structured mentorship models, research support services, international collaborations, and flagship programs like the **Knowledge Series** and **IAAP**, IMPARC aims to bridge the gap between academia, industry, and policy while nurturing innovation-driven, globally aligned scholarship.
